AMINO ACID IV

20% of our body is made up of protein. Protein plays a crucial role in almost all biologic processes and this IV offers a blend of amino acids which are building blocks for protein.

DETOX ACCELERATOR - GLUTATHIONE

Feeling toxic? Help rid the body of pollutants, metals, and helps boost immune system. Glutathione is our body's best antioxidant and plays a crucial role for detoxification.

EXOSOMES

Exosomes are a "micro-vesicle" and a product of stem cell therapy. They help take down the inflammation and promote cell/tissue regrowth which allows for the body to heal itself.

HEADACHE/MIGRAINE IV

This IV is the ideal formula for patients suffering from headaches. It contains all you need to improve blood flow, restore hydration, and help with pain.

HYDRATION IV

Having symptoms not allowing you to get proper fluids? Or have you over-exerted yourself and feeling dehydrated? This is a simple saline IV to get you the fluids your body needs to either fight acute illness or replenish the body's requirements for hydration.

HIGH DOSE VITAMIN C

Vitamin C is a potent antioxidant that helps allow the body to detox and fight chronic infection. This IV is recommended as treatment for Cancer, Lyme Disease, Chronic Fatigue, Epstein Barr virus, Fibromyalgia, Hashimoto's, Parkinson's, Autoimmunity and Mitochondrial issues.

MAGNESIUM IV

Individuals deficient in magnesium may find themselves with an increase frequency in headaches, muscle aches, disruptive sleep and heart palpitations. This IV can help replenish this important mineral and offer relief of symptoms.

MYER'S COCKTAIL

This is blend of vitamins & minerals used to alleviate symptoms of fatigue, chronic muscle pain, stress, acute infection (upper respiratory infections) and inflammation.

NEUROPATHY/LIVER IV

Neuropathy IV is ideal for patients suffering from neuropathy. Lipoic acid has been shown to help heal and repair damaged nerves from diabetes as well as other conditions.

OZONE SALINE/MAH

Ozone infused saline or blood detoxifies and heals the body. This can be used for many chronic illnesses including chronic infections (lyme, viral, fungal), autoimmune disease, colitis, allergies, bladder issues, Multiple Sclerosis, chronic fatigue, acute infections (sinus, skin, etc), aging process etc. Ozone doesn't cure these conditions but helps the body through better oxygen utilization.

PLAQUEx IV

Plaquex IV therapy is used to help to clear out plaque deposits and improve the function of all organs, including liver and kidneys. It also improves the blood flow properties so blood can flow more easily without the use of blood thinners.
