

IV MENU

AMINO ACID IV

20% of our body is made up of protein. Protein plays a crucial role in almost all biologic processes in our bodies and amino acids are the building blocks of it. Amino Acid IV gives you the correct blend of amino acids your body needs.

DETOX ACCELERATOR (GLUTATHIONINE)

Feeling Toxic? Help rid the body of pollutants, metals and helps boost immune system. Glutathione is our body's best antioxidant and crucial for detoxification.

HEADACHE/MIGRAINE IV

Headache/Migraine IV is the ideal formula for patients suffering from headaches. It contains all you need to improve blood flow, restore hydration and help with pain. The formulation includes Magnesium, B vitamins, Riboflavin, Toradol (for pain) and Zofran (for nausea).

HYDRATION IV

Having symptoms not allowing you to get proper fluids? Or have you over-exerted yourself and feeling dehydrated? This is a simple saline IV to get you the fluids your body needs to either fight acute illness or replenish the body's requirements for hydration.

HIGH DOSE VITAMIN C

High Doses of vitamin C infused intravenously is recommended to treat cancer, Lyme disease, chronic fatigue, Epstein Barr Virus, fibromyalgia, Hashimoto's, autoimmunity, mitochondrial issues and Parkinson's. It's a potent antioxidant that helps allow the body to detox and fight chronic infection. It is recommended that the dose escalate over your treatment period to allow for the maximum effect.

MAGNESIUM IV

Individuals deficient in magnesium may find themselves with an increase frequency of headaches, muscle aches, disruptive sleep and heart palpitations. This IV can help replenish this important mineral to offer relief of symptoms.

MYERS COCKTAIL

Myers' Cocktail is a formula of vitamins & minerals administered by IV. It is used to help alleviate symptoms of fatigue, chronic muscle pain, stress, acute infection (upper respiratory infections) and inflammation.

NEUROPATHY/LIVER IV

Neuropathy IV is ideal for patients suffering from neuropathy. Lipoic acid has been shown to help heal and repair damaged nerves from diabetes as well as other conditions.
